Project Management Essentials
PJMG6206

Course Outline

Description:
A practical overview of project management that will provide you with the essential skills, tools and terminology to deliver projects on time and on budget. This course will take you through a complete project life cycle and you will learn about the five project management process groups:
1. Initiating
2. Planning
3. Executing
4. Monitoring and Controlling
5. Closing

Course Goals:
This course is designed for individuals new to project management or for those who lack formal training. Project team members, managers, business professionals and administrative staff who need a better understanding of project management within their organizations, or are looking to utilize a project management approach to their work, will all benefit from this course.

Course Objectives: At the completion of this course, the student will be able to:

• Understand the basic concepts of project management
• Understand the project life cycle
• Use common project management terminology when communicating with project teams
• Write a project scope statement
• Complete a work breakdown structure
• Finalize a project plan
• Close out the project

Attendance Requirements:

Students are required to attend 100% of class time in order to receive a completion for this course. A grade report can be printed from myWCS.

Code of Student Conduct:

The purpose of the Code of Student Conduct is to define the general standard of conduct

Please contact Continuing Studies if you require information in an alternate format, or if any arrangements can be made to ensure that this course is accessible to you. If you would like to provide feedback about accessibility-related issues that are specific to your experience with Continuing Studies, you may do so using our comment box (located in the entrance of the office) or you may contact Accessibility at Western (accessibility@uwo.ca or 519-661-2111, extension 85562); the feedback will be forwarded to the appropriate individual or area for follow-up.
expected of students registered at Western University, provide examples of behaviour that constitutes a breach of this standard of conduct, provide examples of sanctions that may be imposed, and set out the disciplinary procedures that the University will follow. For the complete Code of Student Conduct: http://www.uwo.ca/univsec/pdf/board/code.pdf.
