

## French for Tomorrow: The Journey Continues FIMW8000

### Course Outline

---

#### Description:

In this online course, you will complete a number of modules that include both linguistic and cultural components. Move through the content at your own pace and learn or refresh basic language skills. Listen and practice speaking. Build your confidence communicating in typical daily interactions while training your ears for the accents you would hear in Quebec, other areas of French-speaking Canada and in francophone areas around the world.

This course is open to learners with a variety of levels of experience with French. You can select to focus on course material that will be most beneficial to your individual needs.

#### Course Goals:

Continue your Québécois adventure. This course builds on the basics covered in [Everyday French](#). Increase your knowledge of the language by engaging in new contexts, applying what you already know. Revisit Trois-Pistoles and the surrounding Bas-Saint-Laurent region at your own pace through new topics geared to you and your physical and online environments. An instructor will be available for optional virtual office hours throughout the course. Learners will have the opportunity to interact with the instructor and other participants, if they so choose.

#### Course Objectives:

The course focuses on:

- Everyday conversations regarding the immediate environment, feelings and tastes
- Vocabulary, expressions and sentence structures used in simple transactions, with a focus on situations arising during travel
- Writing and responding to emails and navigating social media sites, all in French!

#### Evaluation:

This is a graded course where a complete or incomplete will be issued. To earn a complete in this course, you need to complete 3 of the mini projects. For those of you interested in earning the French Essentials certificate, earning a complete is a requirement.

#### When will I receive my grades?

Final grades will be available 2 weeks after the last scheduled day of the course. A grade report can be printed from myWCS.

#### Western Digital Badge

If you have met the course requirements for this Western approved [micro-credential](#), you will receive an email from [MyCredits](#) to claim your digital badge. Badges are embedded with data that verifies your skills and achievements. Share them with your employer, on LinkedIn and other social media sites.
