**How often will the instructor communicate with me?**

As your instructor, I will respond to individual emails within two business days. Questions that have general application should be posted to the General Questions Forum so that all students can receive the same information.

**Policy on Late Assignments:**

Online discussions are to be completed in the week they are assigned. This is to allow everyone in your group the opportunity to contribute to the conversation. The online week will run from Monday to Sunday.

All other assessments (quizzes, assignments, and reflections) have “soft” (suggested) deadlines. Every effort should be made to submit by the deadline, however they will be accepted and assessed until end of the course.

**When will I receive my grades?**

Final grades will be available 2 weeks after the last scheduled day of the course. A grade report can be printed from myWCS.

**How do I hand in assignments?**

All assignments will be submitted electronically through OWL using the assignment tool. Failure to meet deadlines without the instructor’s written permission will be subject to the late assignment policy. It is the student’s responsibility to ensure that all assignments forwarded to the instructor arrive before the due date. If you experience difficulty in submitting assignments through OWL, you are responsible for contacting the instructor and arranging an alternate method of delivery (e.g. e-mail attachment) for the assignment.
